## OUR MISSION STATEMENT

Our event was created to help children who are fighting cancer at the nationally recognized American Family Children's Hospital/UW Carbone Cancer Center in Madison, WI. Participants in our event share a passion for children, community involvement, and fishing. We are now in our eighth year raising money for the hospital, and we are proud to announce that we have raised over \$975,000 so far!! Please help us by attending our event or by donating at [castingforkids.org](http://castingforkids.org)

"Casting for Kids, led by Coach Osiecki and his team, has grown into one of the most impactful fundraising events to advance pediatric cancer research. We continue to be grateful that Casting for Kids is partnering to effectively care for more kids with cancer."

Dr. Howard Bailey  
Former Director, UW Carbone Cancer Center

"Casting for Kids is an incredible event that provides crucial support toward advancing cutting edge childhood cancer research at the American Family Children's Hospital and UW Health/Carbone Cancer Center. This event brings partners from the community together around a common cause - elevating the amazing work doctors, nurses, and researchers are providing right here at the University of Wisconsin."

Christian Capitini, MD

Acting Director, UW Health | Carbone Cancer Center
