From Dr. Howard Bailey: "Coach Osiecki and the event committee have built Casting for Kids into one of the fastest growing and most impactful fundraising events for the American Family Children's Hospital and UW Carbone Cancer Center's shared fight against pediatric cancers. We are so grateful that Casting for Kids is partnering with us to cure more kids with cancer. Your efforts are directly supporting the development and use of more effective and less toxic treatments, like medicines which help our immune system wipe away cancer."

OUR MISSION STATEMENT

Our event was created to help children who are fighting cancer at the nationally recognized American Family Children's Hospital/UW Carbone Cancer Center in Madison WI. Participants in our event share a passion for children, community involvement and fishing. We are now in our sixth year raising money for the hospital, and we are proud to announce that we have donated over **\$620,000** so far!! Please help us out by attending our event or donating to casting4kids.org
